

COLLI di LAPIO

romano clelia

DONNA CHIARA

D.O.C.
AGLIANICO 100%

The vineyards designated for the production of Irpinia Campi Taurasini are located in Latio on well-exposed slopes at approximately 450 m a.s.l. Here, the soils feature a combination of clay, marl, limestone, and volcanic elements, laying the foundation for well-structured wines built for longevity.

This wine is distinguished by its vibrant ruby-red colour and an aromatic profile of ripe red fruits, plum, sour cherry, and subtle balsamic notes. On the palate, it is structured and harmonious, offering refined freshness and impressive persistence. It serves as an ideal accompaniment to rich dishes such as roast meats, hearty meat ragùs, and aged cheeses.

Grape variety: 100% Aglianico

Soil type: clay-limestone

Altitude: 450 m.s.l.m.

Yield per hectare: 7,000 kg (70 q/ha)

Aspect: north-west

Temperature-controlled alcoholic fermentation
